

# Production Approval Procedures Manual

## Revision History

Approved by Executive Manager, Operations Division Version 2.1: March 2010

**Note:** The Revision History shows details of the most recent version first, followed by information about previous versions.

Version	Date	Part/Section	Details
2.1	March 2010	All	Minor changes to reflect organisational changes as of October 2009 (restructure, realignment and renaming of roles).
2.0	August 2004	All	Complete manual revised.
			New <a href="#">Form 1248 Request for Conformity Inspection</a> introduced.
			Form 1143 Australian Parts Manufacturing Approval Supplement (Landscape version) introduced. (Form 1142 remains as Australian Parts Manufacturing Approval Supplement (Portrait version).
			Form 1148 Name of Part and Technical Standard (Letter) introduced.
1.1	September 2003	<a href="#">2.2.4</a>	Production Certificate (form 737) and Production Limitation Record (form 002) introduced.  As a result section <a href="#">2.2.4</a> amended, in particular subsection entitled <i>Issuing the PC and Production Limitation Record (PLR)</i> : <ul style="list-style-type: none"> <li>• Three introductory paragraphs and a new subsection <i>Certificate Numbers</i> added (pages 2-14 to 2-15)</li> <li>• <i>Sample Production Approval Templates</i> included (pages 2-18 to 2-19)</li> </ul>
		<a href="#">4.1.5</a>	New section <i>Automatic Production Process</i> inserted and remaining sections renumbered. This necessitated a change in section <a href="#">4.1.2</a> , list item 7 under ' <i>Inspector</i> ' to insert the new section <a href="#">4.1.5</a> .
		<a href="#">5.2</a>	APMA Approval Letter revised.
1.0	May 2000	All	New manual
