

Supplemental Type Certificate

Number: SVR 525

This certificate issued to: Harris Aircraft X-Hire Pty Ltd
PO Box 716
AIRLIE BEACH QLD 4802

certifies that the change in the type design for the following product when installed in accordance with the limitations and conditions specified herein meets the airworthiness requirements of FAR 27.

Original Product: Type Acceptance Certificate Number: R19
Referenced TC Number (if applicable): FAA H10WE
Make: Robinson Helicopter Company
Model: R22 BETA

Description of Type Design Change: Installation of Floats and Associated Components in accordance with Five Rings Aerospace Engineering Order 5R-1790-EO1 Issue 1 or later approved revision.

Limitations and conditions:

All specifications and limitations for the R22 MARINER aircraft become applicable to the modified R22 BETA aircraft after the incorporation of this STC.

The following documents are required for operation and maintenance of the modified aircraft:

- (i) FAA Approved Robinson R22 Pilot's Operating Handbook (POH) document no. RTR 061 dated Feb. 15th 2013 (or later), supplement 4 for the R22 MARINER.
- (ii) CASA approved Maintenance Manual Supplement 5R-1790-MMS1 or later approved revision.

Prior to incorporating this design change, the installer shall establish that the interrelationship between this change and any other modifications incorporated into the aircraft will not adversely affect the airworthiness of the modified aircraft.

If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

This certificate and the supporting data which is the basis for approval shall remain in effect until suspended, cancelled or a termination date is otherwise established by the Civil Aviation Safety Authority.

Date of application: 25 November 2013
Date of issuance: 08 July 2015

This certificate is issued pursuant to Regulation 21.113A of the Civil Aviation Safety Regulations.

Peter Dall
Delegate of the Authority

This certificate may be transferred in accordance with CASR (1998) 21.47
