

Certificate/Job Number

EXPORT CERTIFICATE OF AIRWORTHINESS

This certificate is issued in accordance with subpart 21.L of the Civil Aviation Safety Regulations 1998 in respect of the aircraft identified herein. The aircraft has been examined at the date of issue of this certificate and, except as noted below, found to conform to the specification given below with such modifications as have been approved for embodiment in the aircraft, the airworthiness certification requirements for a certificate of airworthiness in the category stated below, any special certification conditions of the State of the importer notified to CASA, and is found to be in a condition for safe operation. This certificate does not attest to compliance with any agreements or contracts between the vendor and purchaser, and does **NOT** constitute authority to operate an aircraft.

		Cycles/Landings
Specification (Australian Type Certificate, Type Acceptance Certificate, Ce	rtificate of Type Approval	or other document)
