

Cancellation of aircraft registration

CASR 11.130, 47.132

Purpose of this form

Use this form to apply for the cancellation of the registration of a currently registered aircraft, in accordance with regulation 11.130 or 47.132 of the Civil Aviation Safety Regulations 1998 (CASR).

If there has been a change in the aircraft ownership, or if other aircraft details have changed, please refer to the relevant forms and instructions [Aircraft Register Forms and Fees](#).

Who is this form for?

This form is for the aircraft registration holder to request cancellation of the registration of a currently registered aircraft.

Information needed to complete this form

This form may **not** be used if an Irrevocable Deregistration and Export Request Authorisation (IDERA) is recorded for the aircraft. Deregistration can then only be requested by the authorised person under the IDERA by submitting a ['Irrevocable De-registration and Export Request Authorisation \(IDERA\) or Certified Designee Confirmation Letter \(CDCL\) -De-registration Request'](#) (Form 1542).

The registration will be cancelled as soon as possible after receipt of this form, so **do not lodge** until the registration holder is **ready for the cancellation to take place**. It is the responsibility of the registration holder to ensure that the aircraft is not, and will not be, operating under Australian registration once this application is submitted.
