

## CHECKLIST

# Certificate of Airworthiness Checklist 02

## CASR Part 90 - Additional Airworthiness Requirements

### Instructions

1. Use this checklist for the assessment of an aircraft for a Certificate of Airworthiness.
2. Check the box relevant to the assessment outcome. **Y – Yes, N – No, N/A – Not applicable.**

### 1. Aircraft identification

| Registration mark | Manufacturer and manufacturer's designation of aircraft | Aircraft serial number |
|-------------------|---------------------------------------------------------|------------------------|
|                   |                                                         |                        |

### 2. CASR Part 90 – Additional airworthiness requirements

| Part        | Subject                                 | Y | N | N/A |
|-------------|-----------------------------------------|---|---|-----|
| <b>90.B</b> | <b>General provisions</b>               |   |   |     |
| 90.105      | Flight crew restraints                  |   |   |     |
| 90.110      | Occupant restraints – small aeroplanes  |   |   |     |
| 90.115      | Occupant restraints – helicopters       |   |   |     |
| 90.120      | Side – facing seats                     |   |   |     |
| 90.125      | Cabin crew seats                        |   |   |     |
| 90.130      | External doors                          |   |   |     |
| 90.135      | Emergency exits                         |   |   |     |
| 90.140      | Cargo and baggage compartment lighting  |   |   |     |
| 90.145      | Thermal / Acoustic insulation materials |   |   |     |
| 90.150      | Fire extinguishing agents               |   |   |     |

| Part        | Subject                                                                         | Y | N | N/A |
|-------------|---------------------------------------------------------------------------------|---|---|-----|
| <b>90.C</b> | <b>Large aeroplanes engaged in air transport operations</b>                     |   |   |     |
| 90.205      | Escape devices                                                                  |   |   |     |
| 90.210      | Location of emergency exits                                                     |   |   |     |
| 90.215      | Access to emergency exits                                                       |   |   |     |
| 90.220      | Interior emergency exit markings                                                |   |   |     |
| 90.225      | Interior emergency lighting                                                     |   |   |     |
| 90.230      | Floor proximity emergency escape path                                           |   |   |     |
| 90.235      | Exterior emergency exit marking                                                 |   |   |     |
| 90.240      | Exterior emergency lighting                                                     |   |   |     |
| 90.245      | Over-wing escape routes                                                         |   |   |     |
| 90.250      | Cabin interiors – materials                                                     |   |   |     |
| 90.255      | Seat cushions – materials                                                       |   |   |     |
| 90.260      | Cargo compartment liners – materials                                            |   |   |     |
| 90.265      | Cargo compartments for aeroplanes engaged in scheduled air transport operations |   |   |     |
| 90.270      | Toilets                                                                         |   |   |     |
| 90.275      | Thermal / Acoustic insulation materials                                         |   |   |     |
| 90.280      | Seats                                                                           |   |   |     |
| 90.285      | Pitot heat indication systems                                                   |   |   |     |
| 90.290      | Landing gear aural warning systems                                              |   |   |     |
| <b>90.D</b> | <b>Small aeroplanes engaged in air transport operations</b>                     |   |   |     |
| 90.405      | Cargo and baggage compartments                                                  |   |   |     |
| 90.410      | Emergency exits                                                                 |   |   |     |
| 90.415      | Landing gear aural warning systems                                              |   |   |     |
| <b>90.E</b> | <b>Helicopters engaged in scheduled air transport operations</b>                |   |   |     |
| 90.605      | Emergency exits                                                                 |   |   |     |

### 3. Any remarks or comments including any reasons for non-compliance

List any relevant information including non-compliance to a CASR Part 90 requirement.

| Part 90 rule | Details |
|--------------|---------|
| 1.           |         |
| 2.           |         |
| 3.           |         |
| 4.           |         |
| 5.           |         |
| 6.           |         |
| 7.           |         |
| 8.           |         |
| 9.           |         |
| 10.          |         |
| 11.          |         |
| 12.          |         |
| 13.          |         |
| 14.          |         |
| 15.          |         |

**Note:** If necessary, add pages marking '[current page] of [total pages]'.

### 4. CASA Delegate or Authorised Person

#### Authorisation

|                               |                   |      |  |
|-------------------------------|-------------------|------|--|
| CASA Delegate                 | Authorised Person | Name |  |
| Instrument of Appointment No. |                   | ARN  |  |
| Signature                     |                   | Date |  |

Send **within 7 days**, a copy of all documents and checklists used in the application, assessment, issue, approval or authorisation to the Civil Aircraft Register via email: [aircraftregistration@casa.gov.au](mailto:aircraftregistration@casa.gov.au); or uploading to the CASA Aircraft Registrar sharefile account; or by regular mail: 'Civil Aircraft Register' GPO Box 2005 Canberra ACT 2601.
