

**1. Aircraft Identification** (As noted on the aircraft data plate and the certificate of registration)

Registration Mark	Manufacturer and Manufacturer's Designation of Aircraft	Aircraft Serial Number
-------------------	---	------------------------

- **CASR Part 91: General operating and flight rules**
  - Applies to all aviation operations except drones
- **CASR Part 121: General operating and flight rules**
  - Generally applies to air transport operations in aeroplanes with a seating capacity of more than nine seats, or a maximum take-off weight (MTOW) of more than 8,618 kg.
- **CASR Part 133: General operating and flight rules**
  - Applies to air transport operations in helicopters, gyroplanes and powered lift aircraft
- **CASR Part 135: Australian air transport operations – smaller aeroplanes**
  - Applies to air transport operations in aeroplanes with a maximum seating capacity of nine seats and a maximum take-off weight (MTOW) of 8618kg or less
- **CASR Part 138 – Aerial work operations**
  - Applies to external load, dispensing and task specialist aerial work operations
