1. References	1
2. Purpose	1
3. Status of this AC	1
4. Generic Response Form	2

### 1. REFERENCES

- MOS 139, subpart H. Ref; Chapter 28

### 2. PURPOSE

This AC provides guidance and information to aerodrome operators and ARFFS providers where aerodrome rescue and fire fighting services are provided or required.

The recording of ARFFS responses is to provide either an electronic or paper based reporting system to assist in accident investigation, coronial inquiry and local statistical information.

The information provided on the AC is considered essential. The format however can be incident type specific, electronic or paper form and designed to suit local requirements.

### 3. STATUS OF THIS AC

This recommended practice remains current until re-issued, withdrawn or suspended.

*Advisory Circulars are intended to provide recommendations and guidance to illustrate a means but not necessarily the only means of complying with the Regulations, or to explain certain regulatory requirements by providing interpretive and explanatory material.*

*Where an AC is referred to in a 'Note' below the regulation, the AC remains as guidance material. ACs should always be read in conjunction with the referenced regulations*
