## Purpose of this form

Use this form to apply to the CASA Flight Testing Office for an approval to conduct flight tests and grant LL aerial mustering endorsements under CASA 05/23 - Flight Training and Flight Tests for Grant of Aerial Mustering Endorsements Approval 2023 and for enrolment into the CASA Flight Examiner Rating Course (FERC) eLearning modules in accordance with CASA 05/23 subsection 6(1)(g).

The 6 modules are Legal, Principles of Assessment, Assessing Human Factors (HF) and Non-Technical Skills (NTS), Plan, Conduct and Complete. Within the modules, you will be able to download a FERC workbook for your future use. This workbook does not need to be submitted to CASA. It is recommended that it is viewed and retained by the Part 138 operator.

If you have not completed modules 1 to 6, you will be enrolled into the FERC eLearning modules following receipt of payment.

Once all modules 1 to 6 have been satisfactorily passed, access to CASA's Flight Test Management system will be provided.

If CASA records show that you have already completed all six modules, you do not need to repeat the eLearning modules. You will be sent a FERC workbook following receipt of payment. It can also be downloaded from the CASA website.
