Instrument number CASA EX05/22

I, ROBERT KENNETH WALKER, Executive Manager, Regulatory Oversight, a delegate of CASA, make this instrument under regulation 11.160 of the *Civil Aviation Safety Regulations 1998*.

[Signed Rob Walker]

Robert Walker
Executive Manager, Regulatory Oversight

7 March 2022

**CASA EX05/22 – Flight Training and Review (Dorn – Kodiak 100)
Exemption 2022**

1 Name

This instrument is *CASA EX05/22 – Flight Training and Review (Dorn – Kodiak 100) Exemption 2022*.

2 Application

This instrument applies to Toby Allan Dorn, ARN 752686 (the *pilot*), when the pilot exercises the privileges of a single-engine aeroplane class rating in a Kodiak 100 aircraft for one of the following purposes:

- (a) conducting flight training;
- (b) conducting a flight review.

3 Exemption

The pilot is exempt from the requirements of:

- (a) regulation 61.065 of CASR to the extent that it requires compliance with regulation 61.747 of CASR; and
- (b) regulation 61.747 of CASR.

4 Repeal

This instrument is repealed at the end of 31 January 2025.
