CASA OAR 087/25 — DAH Authorisation Instrument 2025

1 Name

This instrument is *CASA OAR 087/25 — DAH Authorisation Instrument 2025*.

2 Commencement

This instrument commences on 12 June 2025.

3 Definitions

- (1) In this instrument:

Declaration means *CASA OAR 088/25 – Declarations and Directions in relation to Prohibited, Restricted and Danger Areas, Etc. – Permanent Instrument 2025*.

Determination means *CASA OAR 086/25 — Determination of Airspace and Controlled Aerodromes, Etc. (Designated Airspace Handbook) Instrument 2025*.

- (2) In this instrument, words and phrases have the same meaning as in the Declaration or the Determination, as the case requires.

4 Application

This instrument applies only for the purposes of:

- (a) subsection 6(2) of the Determination; and
- (b) paragraph 8(2)(b) of the Determination; and
- (c) paragraph 6(3)(b) of the Declaration.

5 Authorisation of AIP and NOTAM

- (1) For subsection 6(2) of the Determination, this authorisation applies for a volume of airspace that is classified under Schedule 3, 4, 5, 6, 7, 8 or 9 of the Determination as being of a class (*initial classification*) for hours of activity as specified by the AIP or a NOTAM.

- (2) For the volume of airspace, I authorise the AIP or a NOTAM that specifies the hours of activity for the initial classification.

Note A later specification may modify an earlier specification and is also authorised by subsection (2).

- (3) If the air traffic control service for a volume of airspace is suspended or ceases to function, I authorise a NOTAM that specifies the suspension or cessation.

Note Classified airspace becomes Class G airspace when, in accordance with the AIP or a NOTAM authorised by the delegate, air traffic control services are not available.

- (4) The authorisation of the AIP or a NOTAM mentioned in subsection (2) ceases to have effect if the authorisation is repealed in writing by me.

Note If the authorisation of the AIP or a NOTAM is repealed, authorised providers of air traffic control services will be notified and the repeal published by NOTAM.

6 Authorisation of voice deactivation of a Class C Control Zone

- (1) For paragraph 8(2)(b) of the Determination, this authorisation applies for a voice deactivation of a Class C Control Zone under section 8 of the Determination.

- (2) For the Class C Control Zone, I authorise the early deactivation of the Control Zone by the Controlling Authority provided that the requirements of section 8 of the Determination have been complied with.

- (3) The authorisation ceases to have effect if the authorisation is repealed in writing by me.

Note If the authorisation is repealed, relevant Controlling Authorities will be notified.

7 Authorisation of voice deactivation of a restricted area or a danger area

- (1) For paragraph 6(3)(b) of the Declaration, this authorisation applies for a voice deactivation of a restricted area or a danger area under section 6 of the Declaration.

- (2) For the relevant restricted area or a danger area, I authorise the early deactivation of the area by the Controlling Authority, Administering Authority or Contact, as applicable, provided that the requirements of section 6 of the Declaration have been complied with.

- (3) The authorisation ceases to have effect if the authorisation is repealed in writing by me.

Note If the authorisation is repealed, the relevant Controlling Authority, Administering Authority or Contact, as applicable, will be notified.
