Purpose of this form

Use this form to seek production authorisation to manufacture aircraft, aircraft engines, propellers, or aircraft parts, articles or appliances.

Who is this form for?

This form is for an individual or organisation who are seeking **initial approval** to manufacture an aircraft, aircraft engine, propeller or aircraft parts, articles or appliances or seeking to **vary an existing approval**.

If you are applying for multiple production authorisations, you must complete and submit additional applications for each authorisation.

Information needed to complete this form

You will need to attach evidence where applicable to support application.

Aviation Reference Number (ARN)

An ARN is an identifier that is similar to an account or customer number. You will need an ARN to complete this form.

If you do not have an ARN, [apply for an ARN](#).

If you are applying on behalf of an organisation, you need to provide the organisation's ARN and have authority to act on behalf of the entity.

Contact details

CASA will use the currently held contact details linked to your ARN profile.

If your address, contact or other details have changed, you must update them online using [changing your details](#) prior to lodging this form.

Failure to provide up to date contact details to CASA could result in additional fees being charged under the Civil Aviation (Fees) Regulations 1995 and may constitute a criminal offence.

Privacy

Any personal information you provide to CASA is protected by the Privacy Act 1988 (Cth). CASA can only collect, use and disclose that information in accordance with that Act.

CASA will use the information collected in this form for purposes associated with performing its functions under civil aviation legislation and other Australian laws.

For full details on how CASA collects, protects and uses personal information, please refer to [CASA Privacy Statement](#).

For more information

Go to the [CASA website](#) or call us on 131 757.
