

Supplemental Type Certificate

Number: SVA593 Revision 1

This certificate, issued to: HELIMODS PTY LTD
ACN 32 101 040 448
Cnr Pathfinder Drive & Henebery Place
Caloundra West, QLD 4551

Certifies that the change in the type design for the following product with the limitations and conditions as specified herein meets the airworthiness requirements identified in Type Certificate Data Sheet A24CE.

Original Product: Type Acceptance Certificate Number: A41
Referenced TC Number: FAA A24CE
Make: Textron Aviation Inc
Model: B300C

Description of Type Design Change: Medical Floor System

Limitations and Conditions: This approval should not be extended to aircraft of this model on which previously approved modifications are incorporated unless it is determined by the installer that the interrelationship between this modification and any of those previously approved modifications will produce no adverse effect upon the airworthiness of that aircraft.

If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

This certificate and the supporting data which is the basis for approval shall remain in effect until suspended, cancelled or a termination date is otherwise established by the Civil Aviation Safety Authority.

For any additional limitation and conditions, refer to Supplemental Type Certificate Continuation Sheet SVA593.

Date of Application: 9 August 2021

Date Amended: 26 August 2022

Date of Issuance: 19 August 2022

This certificate issued pursuant to Part 21.113A of the Civil Aviation Safety Regulations 1998

Klaus Schwerdfeger
Delegate of the Authority

This certificate may be transferred in accordance with CASR (1998) 21.120
