This form was previously known as Part 66 Self-Study Training Pathway

Purpose of this form

Use this form to apply for an initial Part 66 aircraft engineer licence, the addition of a category/subcategory to such a licence, or an initial Part 66 modular licence based on the self-study training pathway.

Who is this form for?

This form is for individuals applying for an initial Part 66 aircraft engineer licence, additional privileges for such a licence, or an initial Part 66 modular licence, based on the self-study training pathway described within sections 66.A.25 & 66.A.30 of the Part 66 MOS.

This form is not for applications for an initial Part 66 aircraft engineer licence, the addition of a category/subcategory to such a licence, or an initial Part 66 aircraft engineer modular licence, based on training and assessment through a CASA approved MTO. This form is also not to be used for recognition of qualifications via Australian Defence Force, New Zealand or Foreign qualifications. You should use the appropriate form for these applications.

Information needed to complete this form

- Completion of the knowledge modules and passing of the related examinations as documented in Part 2 or Part 2A of Appendix I of the Part 66 MOS, applicable for the category or subcategory of licence applied for (including if either CASA basics credits or Part 147 MTO module credits are being utilised).
- Completion and submission of a CASA Part 66 Basic Practical Experience Logbook (Logbook)
- Completion of the CASA module 7, 9 & 10 essays is necessary to determine English language proficiency for this application.
