

Supplemental Type Certificate

Number: 83-5

This certificate, issued to: GIPPSAERO PTY LTD
ACN 140 764 138
Latrobe Valley Airfield
75 Airfield Road, TRARALGON,
VIC 3844, AUSTRALIA

Certifies that the change in the type design for the following product with the limitations and conditions as specified herein conforms with the requirements of Civil Aviation Orders 101.17 issue 2, 101.22 issue 4, and Federal Aviation Regulations Part 23 effective at 2nd December 1988, when installed and operated in accordance with the specifications and limitations of Supplemental Type Data Sheet number 83-5.

Original Product: Referenced TC Number: US FAA 2A10
Make: Piper
Model: PA-25-235, PA- 25-260

Description of Type Design Change: Modification to Piper models PA-25-235 and PA-25-260 aircraft in accordance with Gippsland Aeronautics Pty. Ltd. Drawings GA-0187 Issue 2, GA-0188 Issue 1 , GA-0189 Issue 1 and GA-0192 Issue 1 which specify the manufacture and installation of a replacement fuselage fuel tank.

Limitations and Conditions: This approval should not be extended to other aircraft of this model on which previously approved modifications are incorporated unless it is determined by the installer that the interrelationship between this modification and any of those previously approved modifications will produce no adverse effect upon the airworthiness of that aircraft.

If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission,

This certificate and the supporting data which is the basis for approval shall remain in effect until suspended, cancelled or a termination date is otherwise established by the Civil Aviation Safety Authority.

For additional limitations, and conditions refer to Supplemental Type Certificate Data Sheet 83-5

Date of Issuance: 27 June 1990

Date of Reissue: 28 April 2010

This certificate issued pursuant to Part 21.113A of the Civil Aviation Safety Regulations 1998
