

Supplemental Type Certificate

Number: ASA028ML

This certificate issued to: Lombe Pty Ltd
Trading as, John's Aircraft & Upholstery Service
54 Solomon Street
PALMYRA WA 6157

certifies that the change in the type design for the following product with the limitations and conditions therefore as specified hereon meets the airworthiness requirements of (see Note 1) of the Civil Aviation Regulations.

Original Product – Refer continuation sheet for the list of approved aircraft models.

Description of Type Design Change: Covers the installation of Bennetts Seat Converter Stowage Compartments, (manufactured to Aeronautical Engineers Australia Drawing List AV941/6, Issue 3, dated 17 Jan 1990 or later CASA approved revisions), which permits carriage of freight on aircraft seats.

Limitations and Conditions: Installation to be in accordance with Aeronautical Engineers Australia Installation Instructions/Report AV941/2, Issue 2, dated 17 Jan 1990, or later CASA approved revisions.

This approval should not be incorporated where other previously approved modifications are incorporated, unless it is determined by the installer that the interrelationship between this change and any of those previously approved modifications will produce no adverse effect upon the airworthiness of the aircraft.

Refer to continuation sheet for more limitations and conditions.

This certificate and the supporting data which is the basis for approval shall remain in effect until suspended, cancelled or a termination date is otherwise established by the Civil Aviation Safety Authority.

Date of application: 12th June 2000

Date of issuance: 2nd November 2000 **Date reissued:** 10 June 2008

This certificate is issued pursuant to Regulation 21.113A of the Civil Aviation Safety Regulations.
