Description of Type Design Change: This STC approves the installation of advertising placards on the cabin overhead locker doors. The placards are installed, in accordance with CASA approved Gisborne Aeronautics Pty. Ltd., Engineering Release, GA-ADVERT-ER-9006 Rev 5 dated 29 October 2005 or later CASA approved revision.

Limitations and Conditions: This approval should not be extended to other aircraft of this model on which other previously approved modifications are incorporated unless it is determined by the installer that the interrelationship between this change and any of those previously approved modifications will produce no adverse effect upon the airworthiness of that aircraft.

If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

This certificate and the supporting data which is the basis for approval shall remain in effect until suspended, cancelled or a termination date is otherwise established by the Civil Aviation Safety Authority.
