

Supplemental Type Certificate

Number: SVA 539

This certificate issued to: GSAero Pty Ltd
2/90 Latrobe Terrace
Paddington QLD 4064

certifies that the change in the type design for the following product when installed in accordance with the limitations and conditions specified herein meets the airworthiness requirements of 14 CFR Part 25 of the Federal Aviation Regulations as amended by Amendments 25-1 through 25-77 with the exceptions as specified in the FAA type certificate, A16WE Issue 45, dated 1 September 2010.

Original Product:	Type Acceptance Certificate Number:	A108
	Referenced TC Number (if applicable):	FAA A16WE
	Make:	The Boeing Company
	Model:	737-700 and 737-800
	Aircraft:	See attached annex for the list of approved aircraft.

Description of Type Design Change: Installation of Passenger seating and cabin monuments in accordance with Installation Instructions listed in the attached annex.

Limitations and Conditions:

Prior to incorporating this design change, the installer shall establish that the interrelationship between this change and any other modifications incorporated into the aircraft will not adversely affect the airworthiness of the modified aircraft.

If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

This certificate and the supporting data which is the basis for approval shall remain in effect until suspended, cancelled or a termination date is otherwise established by the Civil Aviation Safety Authority.

Date of application:	23 February 2011
Date of issuance:	17 June 2011
Date of amendment:	1 August 2012

This certificate is issued pursuant to Regulation 21.113A of the Civil Aviation Safety Regulations

David Villiers
Delegate of the Authority

This certificate may be transferred in accordance with CAR (1998) 21.47.
