Evan Building
Taranaki Road
Edinburgh Parks
Edinburgh, SA 5111

certifies that the change in the type design for the following product when installed in accordance with the limitations and conditions specified herein meets the airworthiness requirements of FAR 23 Amendment 23-59.

Original Product:	Type Acceptance Certificate Number:	A39
	Referenced TC Number (if applicable):	NZCAA A-10
	Make:	Pacific Aerospace Limited CT/4
	Model:	CT/4B

Description of Type Design Change: Installation of Enhanced Crashworthiness Modifications in accordance with Engineering Order EO15645.006/1 Issue 2, dated 8 December 2011 or later approved issue.

Limitations and Conditions:

Prior to incorporating this design change, the installer shall establish that the interrelationship between this change and any other modifications incorporated into the aircraft will not adversely affect the airworthiness of the modified aircraft.

If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

This certificate and the supporting data which is the basis for approval shall remain in effect until suspended, cancelled or a termination date is otherwise established by the Civil Aviation Safety Authority.

Date of application:	16 November 2010
Date of issuance:	11 July 2011
Date amended	16 December 2011

This certificate is issued pursuant to Regulation 21.113A of the Civil Aviation Safety Regulations.

David Villiers
Delegate of the Authority

This certificate may be transferred in accordance with CAR (1998) 21.47.
