

Supplemental Type Certificate

Number: SVA579

This certificate issued to: Jet Aviation Australia Pty Ltd
112 Airport Avenue
Bankstown Airport, NSW 2200

Previously Issued to: Hawker Pacific Pty Ltd
Hangar 149,
Tom McDonald Drive,
Cairns Airport, QLD 4870

certifies that the change in the type design for the following product when installed in accordance with the limitations and conditions specified herein meets the airworthiness requirements of the Certification Basis detailed in the FAA Type Certificate Data Sheet.

Original Product: See attached annex for the list of approved aircraft models.

Description of Type Design Change: Installation of Auxiliary Aural Alert System in accordance with AA2179-MDL-01 Revision 1 or later approved revisions.

Limitations and Conditions: Prior to incorporating this design change, the installer shall establish that the interrelationship between this change and any other modifications incorporated into the aircraft will not adversely affect the airworthiness of the modified aircraft. If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

This certificate and the supporting data which is the basis for approval shall remain in effect until suspended, cancelled or a termination date is otherwise established by the Civil Aviation Safety Authority.

Date of application: 13 March 2018
Date of issuance: 7 December 2018

Date Reissued: 28 May 2021
Date Amended: 7 August 2019

This certificate is issued pursuant to Regulation 21.113A of the Civil Aviation Safety Regulations.
