

## Supplemental Type Certificate

**Number: SVA584**

**This certificate, issued to:** Royal Flying Doctor Service of Australia (Central Operations)  
ACN 141 354 734  
1 Tower Road  
Adelaide Airport, SA 5950

**Certifies that the change in the type design for the following product with the limitations and conditions as specified herein meets the airworthiness requirements of FAR 23.**

**Original Product:** Type Acceptance Certificate Number: A77  
Referenced TC Number: EASA A.089 and FAA A78EU  
Make: Pilatus Aircraft Ltd.  
Models: PC-12/45, PC-12/47 and PC-12/47E

**Description of Type Design Change:** Installation of a Stryker Stretcher System

**Limitations and Conditions:** This approval should not be extended to aircraft of this model on which previously approved modifications are incorporated unless it is determined by the installer that the interrelationship between this modification and any of those previously approved modifications will produce no adverse effect upon the airworthiness of that aircraft.

If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

This certificate and the supporting data which is the basis for approval shall remain in effect until suspended, cancelled or a termination date is otherwise established by the Civil Aviation Safety Authority.

For any additional limitation and conditions, refer to Supplemental Type Certificate Continuation Sheet SVA584.

**Date of Application:** 3 August 2018  
**Date of Issuance:** 28 June 2019

**This certificate is issued pursuant to Regulation 21.113A of the Civil Aviation Safety Regulations 1998.**

  
Glen Steemson  
Delegate of the Authority
