

Supplemental Type Certificate

Number: SVA586

This certificate issued to: Auto Avia Design Pty Ltd
107 Gipsy Street,
Bankstown Airport,
NSW 2200

certifies that the change in the type design for the following product when installed in accordance with the limitations and conditions specified herein meets the airworthiness requirements of the Certification Basis detailed in the EASA Type Certificate Data Sheet.

Original Product: Type Acceptance Certificate Number: A245
Referenced TC Number (if applicable): EASA.A.110
Make: Airbus A380
Model: A380-842

Description of Type Design Change: Installation of Portable Electronic Device Charging station in accordance with Auto Avia Design Master Records Index 219-111-MRI2 Rev 1 (or later approved revision).

Limitations and Conditions:

Prior to incorporating this design change, the installer shall establish that the interrelationship between this change and any other modifications incorporated into the aircraft will not adversely affect the airworthiness of the modified aircraft. If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

This certificate and the supporting data which is the basis for approval shall remain in effect until suspended, cancelled or a termination date is otherwise established by the Civil Aviation Safety Authority.

Date of application: 19 August 2019
Date of issuance: 31 October 2019

This certificate is issued pursuant to Regulation 21.113A of the Civil Aviation Safety Regulations.

Richard Stocker
Delegate of the Authority
