

Supplemental Type Certificate

Number: STC SVR515

This certificate issued to:

PT. AIRFAST Indonesia
Jl. Marsekal Suryadarma no. 8
Tangerang 15129 - Indonesia

certifies that the change in the type design for the following product with the limitations and conditions as specified herein meets the airworthiness requirements of FAR 29 Amdt 29-1 and Amdt 29-2 and FAR 29.1457(d) at Amendment 29-54

Original Product: Type or Type Acceptance Certificate Number: R11
Referenced TC Number (if applicable): FAA H4SW
Make: Bell Helicopter Textron
Model: 212 and 412

Description of Type Design Change: Installation of Universal Avionics Cockpit Voice Recorder model CVR-120R in accordance with the CASA Approved design or later CASA approved revision.

Limitations and Conditions: This approval should not be extended to other aircraft of this model on which other previously approved modifications are incorporated unless it is determined by the installer that the interrelationship between this change and any of those previously approved modifications will produce no adverse effect upon the airworthiness of that aircraft.

If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

This certificate and the supporting data which is the basis for approval shall remain in effect until suspended, cancelled or a termination date is otherwise established by the Civil Aviation Safety Authority.

For any additional limitations and conditions refer to the continuation sheet(s).

Date of application: 13 June 2012

Date of issuance: 9 July 2012

This certificate is issued pursuant to Part 21.113A of the Civil Aviation Regulations 1998.

David Villiers

Delegate of the Authority

This certificate may be transferred in accordance with CAR (1998) 21.47

Supplemental Type Certificate (Continuation Sheet)

Number: STC SVR515

Limitations

The following limitations are supplementary to the conditions and limitations given in the original product reference certificate. The original conditions and limitations continue to apply unless superseded by the limitations below.

Applicability

This STC is applicable to Bell Helicopters Textron Model 212 and 412 helicopters
