

Supplemental Type Certificate

Number: SVR546 Revision 0

This certificate, issued to: HELIMODS PTY LTD
ACN 32 101 040 448
Cnr Pathfinder Drive & Henebery Place
Caloundra West, QLD 4551

Certifies that the change in the type design for the following product with the limitations and conditions as specified herein meets the airworthiness requirements of JAR 29 at Amendment 3.

Original Product: Type Acceptance Certificate Number: R49
Referenced TC Number: EASA R.006
Make: Leonardo S.p.A. Helicopters
Model: AW139

Description of Type Design Change: Tactical Mission System

Limitations and Conditions: This approval should not be extended to aircraft of this model on which previously approved modifications are incorporated unless it is determined by the installer that the interrelationship between this modification and any of those previously approved modifications will produce no adverse effect upon the airworthiness of that aircraft.

If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

This certificate and the supporting data which is the basis for approval shall remain in effect until suspended, cancelled or a termination date is otherwise established by the Civil Aviation Safety Authority.

For any additional limitation and conditions, refer to Supplemental Type Certificate Continuation Sheet SVR546.

Date of Application: 24 May 2019
Date of Issuance: 26 June 2020

This certificate issued pursuant to Part 21.113A of the Civil Aviation Safety Regulations 1998

Richard Stocker
Delegate of the Authority
