

TYPE ACCEPTANCE CERTIFICATE

Number: L43
Initial issue

This type acceptance certificate is issued for the Cameron Balloons Ltd model Cameron Special Shape Hot-Air Balloons in accordance with regulation 21.029A of the *Civil Aviation Safety Regulations 1998*.

Balloons covered by this certificate are eligible for an Australian standard certificate of airworthiness in the manned free balloon category.

This certificate is valid until suspended or cancelled by the Civil Aviation Safety Authority. The basis of certification is as prescribed in Type Certificate Data Sheet UK.TC.BA.00001 issued by the Civil Aviation Authority of the United Kingdom.
