TYPE CERTIFICATE DATA SHEET

Manufacturer: Costruzioni Aeronautiche Giovanni Agusta S.p.a.
Cascina Costa (Gallarate)
Italy

This data sheet is part of type certificate No. VR505 which is issued under regulation 21.29 of the Civil Aviation Regulations 1998. It lists the conditions and limitations under which aircraft of the type for which the type certificate was issued meet the airworthiness requirements of the Civil Aviation Safety Authority.

Airworthiness type certification basis:

The above model is accepted on the basis of type acceptance by the Registro Aeronautico Italiano, evidenced by issue of Type Certificate number A-115. This Type Certificate refers to FAA Type Certificate number 2H3 (dated 18 March 1963) which indicates compliance with Part 6 of the USA Civil Air Regulations effective December 20, 1956 including amendments 6-1, 6-2, 6-3 and 6-4.

Examples of the aircraft type and model shown on this data sheet are eligible for certificates of airworthiness in the normal category.
