

Video recording sheet (Primary): Things to think about

Use this sheet to record what you think about before, during and after viewing the CASA Drone Safety video.

Things to think about:

Before viewing

There are rules about flying drones. Write down any rules that you know of or that you think would be important.

While viewing

Note down any drone safety rules.

What messages about drones do you notice? Write them down.

After viewing

Reflect on the video.

Which rules do you remember?

Why is it important to have rules about how people should fly their drones? Give at least 3 reasons.
