AvSafety podcast – Staying safe on the runway

Listen: civilaviation.au/audio

(1) What are some assumptions pilots might make when negotiating a busy runway?

(2) How can pilots build their situational awareness and confidence around taxiways and runways?

(3) What can pilots do to avoid issues on busy runways?

(4) Why is the landing phase classed as a critical stage of flight?

(5) What key lessons have you taken from this episode of the podcast – especially around building and maintaining situational awareness?
