

## Video recording sheet (Primary): Having fun and being safe

Look at the screenshots of the video and write down your initial ideas of what you think each scene might be about.  
Then watch the video, and make note of what you find out each scene is about.  
Compare your initial ideas to what you noted when you watched the scene.

Imagine a friend is getting a drone.  
What advice would you give them about flying their drone safely?
