Civil Aviation Safety Authority

TYPE ACCEPTANCE CERTIFICATE

Number: R77
Original Issue

This type acceptance certificate is issued for the H-60, LLC. UH-60A and UH-60L model rotorcraft in accordance with regulation 21.029A & 21.029B(1) of the *Civil Aviation Safety Regulations 1998*.

Rotorcraft of the type, model, and serial numbers identified by this certificate are eligible for Australian special certificates of airworthiness in the restricted category (see *Eligible Serial Numbers*)

This certificate is valid until suspended or cancelled by the Civil Aviation Safety Authority. The basis of certification is as prescribed in Type Acceptance Certificate Data Sheet No. R77 issued by this authority and Type Certificate Data Sheet R00113SE issued by the Federal Aviation Administration of the United States of America.

TYPE ACCEPTANCE CERTIFICATE DATA SHEET

This Data Sheet is part of Type Acceptance Certificate (TAC) No. R77, which is issued under regulation 21.029A & 21.029B(1) of the *Civil Aviation Safety Regulations 1998*. It lists any conditions and/or limitations under which the TAC was issued to meet the requirements of CASA.

Certification Basis:

The basis of certification is as prescribed in Type Certificate Data Sheet No R00113SE issued by the Federal Aviation Administration of the USA (US FAA).

Certificate of Airworthiness Category:

Rotorcraft of the type, model, and serial number covered by this certificate are eligible for an Australian special certificate of airworthiness in the restricted category.

Eligible Serial Numbers:

Only those rotorcraft serial numbers that are listed on the FAA approved H-60, LLC Approved Serial Number List Report Number SNL-H60, Rev. 1, Dated June 12, 2025, or later FAA-approved revision, are eligible for an Australian special certificate of airworthiness in the restricted category in accordance with this type acceptance certificate.

Conditions and or limitations:

A special certificate of airworthiness in the restricted category may be issued for one or more of the following special purposes as specified by Regulation (1998) 21.025:

- Agricultural operations (21.025 (2)(a))
- Forest and wildlife conservation (21.025(2)(b))
- Firefighting (21.025 (2)(c))
- Any other operation similar to any of these operations (21.025(2)(k)) - External Load Operations
