CASA EX44/20 — Air/Ground Radio Service Operation (Ballina/Byron Gateway Aerodrome) Instrument 2020

1 Name
This instrument is CASA EX44/20 — Air/Ground Radio Service Operation (Ballina/Byron Gateway Aerodrome) Instrument 2020.

2 Duration
This instrument:
(a) commences on 1 March 2020; and
(b) is repealed at the earlier of the following:
   (i) the end of the day on which Ballina aerodrome ceases to be a certified aerodrome;
   (ii) the end of the day on which the Council ceases to hold the aerodrome certificate for Ballina aerodrome;
   (iii) the end of 28 February 2023.

3 Definitions
Note In this instrument, certain terms and expressions have the same meaning as they have in the Civil Aviation Act 1988 and the regulations. These include: aerodrome certificate, aerodrome manual, aerodrome operator, certified aerodrome.

In this instrument:
Ballina aerodrome means Ballina/Byron Gateway aerodrome, aerodrome certificate 1-6EAC.
Ballina CA/GRS means a certified air/ground radio service at Ballina aerodrome.
Council means Ballina Shire Council, ARN 901660, as the aerodrome operator of Ballina aerodrome.

Landrum and Brown operations manual means the Landrum and Brown Certified Air Ground Radio Services Operations Manual for the provision of the Ballina CA/GRS, Version No. 1 dated 29 August 2018.

Manual of Standards has the meaning given by regulation 139.010 of CASR.

4 Certification
I certify an air/ground radio service for Ballina aerodrome.

5 Directions for certification
I direct the Council to:
(a) ensure that the Ballina CA/GRS is provided by certified air/ground radio operators employed by L & B Worldwide Australia Pty Ltd, or another person approved by CASA; and
(b) ensure that the aerodrome manual for Ballina aerodrome continues to incorporate the Landrum and Brown operations manual; and
(c) include a copy of this instrument in the aerodrome manual for Ballina aerodrome.

6 Approval
For the direction in paragraph 5 (b), I approve the Council to maintain the Landrum and Brown operations manual part of the aerodrome manual as a separate document from the other parts of the aerodrome manual.

7 Exemption
(1) The Council is exempt from compliance with paragraph 139.415 (a) of CASR, to the extent that the paragraph requires the Council to provide facilities for the Ballina CA/GRS that meet the requirements of paragraph 14.2.3.4 (a) of the Manual of Standards.
(2) The exemption in subsection (1) is subject to the condition mentioned in section 8.
(3) For paragraph 139.420 (2) (b) of CASR, the Council is exempt from compliance with subregulation 139.420 (1) of CASR in relation to Ballina aerodrome between 1800 hours (local time) on a day and 0800 hours (local time) on the following day.

8 Condition on exemption
The Council must ensure that, for the duration of this instrument, the mitigations mentioned in the safety case The Continued Provision of a Certified Air/Ground Radio Service (CA/GRS) At Ballina Byron Gateway Airport from the Aviation Rescue Firefighting - Fire Control Centre, version 1 dated 9 December 2019, are implemented.
