1 Name
This instrument is CASA EX24/20 — Validation Flight Checks (TAG173 Pty Ltd) Exemption 2020.

2 Duration
This instrument:
(a) commences on 1 February 2020; and
(b) is repealed at the end of 31 January 2023.

3 Definitions
Note In this instrument, certain terms and expressions have the same meaning as they have in the Civil Aviation Act 1988 and the regulations. These include: flight simulator, terminal instrument flight procedure and type.

In this instrument:
Agreement means the agreement between CASA and Vee H Aviation Pty Ltd., ARN 204507 (Vee H Aviation), known as the Services Contract Between Civil Aviation Safety Authority (CASA) and Vee H Aviation Pty Ltd., trading as Corporate Air, No. 12/274-00, as existing at the time this instrument commences.

Manual of Standards has the meaning given by regulation 173.010 of CASR.
procedure design certificate has the meaning given by regulation 173.020 of CASR.
validation has the same meaning as in Chapter 7 of the Manual of Standards.
validation pilot has the same meaning as in Chapter 7 of the Manual of Standards.
4 Application
This instrument applies to TAG173 Pty Ltd, ARN 820901 (TAG173), for the flight validation of a terminal instrument flight procedure designed by TAG173 under its procedure design certificate (a TAG173 TIFP).

5 Exemptions
(1) TAG173 is exempt from compliance with subregulation 173.095 (1) of CASR to the extent that the subregulation requires that the person who validates a TAG173 TIFP is an officer of CASA.
(2) TAG173 is exempt from compliance with subregulation 173.095 (1) of CASR to the extent that the subregulation requires TAG173 to ensure that a TAG173 TIFP is validated in accordance with the following provisions of the Manual of Standards:
   (a) paragraph 6.1.2.4;
   (b) paragraph 6.1.2.5;
   (c) paragraph 7.1.5.3.
(3) The exemptions are subject to the conditions in section 6.

6 Conditions
(1) TAG173 must ensure that the validation of a TAG173 TIFP is conducted in accordance with the Agreement.
(2) TAG173 must ensure that a TAG173 TIFP is validated by one or more of the pilots named as Specified Personnel in Item 15 of Schedule 1 of the Agreement, under an engagement with Vee H Aviation.
   Note 1 A validation pilot must meet the standards set out in paragraph 7.1.24 of the Manual of Standards.
   Note 2 Under subregulation 173.095 (1) of CASR, the validation must be in accordance with any applicable standards set out in the Manual of Standards.
(3) For the validation of a TAG173 TIFP, TAG173 must provide an aircraft of a type that is approved by CASA in writing.
(4) TAG173 must give CASA at least 14 days’ written notice of any proposed activity related to the validation of a TAG173 TIFP, including any proposed use of a flight simulator for purposes related to the validation.
(5) If CASA requests TAG173 to allow CASA officers to observe any activity related to the validation of a TAG173 TIFP, TAG173 must comply with the request.
