

Know Your Drone Feature Video (29 seconds)

Australians are flying drones in record numbers.

So, it's important we all understand the rules that keep us safe.

(cont.) We tested the knowledge of everyday recreational drone operators.

(loudspeaker): It's time to test your knowledge ...

(cont.): True or false —You must keep your drone at least 30 metres away from other people.

Think you know your drone?

Test your knowledge at knowyourdrone.gov.au
